

6 Ways

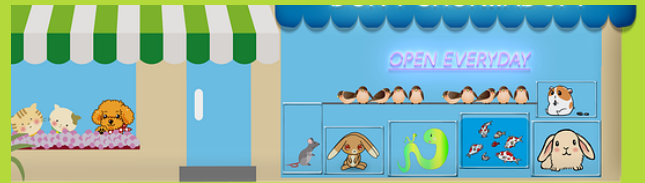

To Help Your Animal Shelter

1

Volunteer

Transport to the vet and rescues, walk dogs, pet cats.

Foster parents

Fostering saves lives!

Shelters are stressful for many animals and they fill up fast. Finding temporary homes while animals are waiting to be adopted frees up space for other homeless animals.

3

Bust out your special talent

Crafty folks, Carpenters and DIY whizzes, Dog trainers, Website designers, Writers, Social media experts, Photographers. Volunteer your skills!

Spread the word

Share profiles of adoptable animals and the animal shelter's events on your social media pages.

4

5

Spay/Neuter your pet

Spaying and neutering prevent unwanted litters which contribute to overcrowding in animal shelters.

Say Thanks

Shelter staff deserve our thanks for caring for our community's homeless animals. Consider sending cookies, pizza, cards etc. Source
